

# Soft-Sour

## Laundry Softener and Neutralizer

### Description

Soft-Sour is a combination softener and laundry neutralizer intended for use in commercial laundry applications. Soft-Sour should be used to reduce the pH of fabric when #0275 Laundry Break or other laundry builder is used. This product is used to prevent irritation of skin and graying or yellowing of fabric caused by residual alkali or mineral deposits left behind. The added softener in Soft-Sour will reduce wrinkling and static electricity while leaving fabric soft to the touch.

### Directions for Use

Soft-Sour is designed to be automatically dispensed from the shipping container. Concentrations should be set up, adjusted, and monitored by a trained service professional to ensure best results. Fabrics and wash water should be between 5.5 – 6.5 pH in the final rinse stage before water drains.

Excessive dosing of product may result in anti-rewetting, which will prevent fabric from absorbing water.

Not recommended for use on fabrics labelled flame resistant or microfiber.

### Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Safety Data Sheet (SDS). The label and SDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

### Features & Benefits

- Highly concentrated
- Works in hard or soft water
- Removes mineral deposits
- Reduces fabric alkalinity
- Eliminates need for separate neutralizing and softening steps
- Commercial laundry use only
- Biodegradable

### Specifications

|                |                   |
|----------------|-------------------|
| Appearance:    | Thick blue liquid |
| Odor:          | Mild odor         |
| PH:            | 2                 |
| Biodegradable: | Yes               |

### Dilution

For Normal Use: Add 2-4 oz. per 100 lb. dry laundry.

Dilutions will vary based on environmental conditions.

### Available Sizes

5 Gallon Pail / Item #0215-5  
15 Gallon Drum / #0215-15  
55 Gallon Drum / #0215-55
